

### 96 Verner Street Goulburn NSW

3  1 

- \* If you are after a home that is a bit unique in Goulburn then look no further
- \* The best way to describe this 1950's weatherboard home is light and bright
- \* Deceivingly spacious with three large bedrooms that all have built in wardrobes
- \* The very large lounge room is beautifully sunny with big windows, glass doors and gas heater
- \* A modern eat in kitchen with electric cooking and plenty of cupboards space
- \* Tastefully renovated bathroom with separate toilet plus internal laundry
- \* Overlooking the back yard is the family room which also has lovely large windows to capture the views
- \* The long narrow back yard is ideal for the kids to play in
