- * If you are looking to get into the market then look no further than this one in Bradfordville
- * A typical 1970's brick and tile three bedroom family home that just needs a bit of TLC
- * Good size "L" shaped lounge/dining room with split system reverse cycle air conditioner
- * The original kitchen and bathroom (whilst still serviceable) could do with update
- * Located right across the road from Bradfordville Public school with shops a short walk away
- * Plenty of room in the yard for your pets or the children to have their trampoline and swings
- * Whether it is a home for yourself or a project that you are after this property is a must to inspect
- * So call me quickly to make an appointment so you don't
