

221 Cowper Street Goulburn NSW

3  1  2 

* Federation beauty - only a stones' throw from the main street. A fine example of old world charm - exceptionally well renovated with modern conveniences

* All of the character features that you would expect - polished timber floorboards, high ceilings, oversized timber skirting boards and architraves

* An abundance of storage - each bedroom with floor to ceiling built-in wardrobes

* The superb extension is an open plan, modern layout which includes a kitchen complete with stone benchtops, stainless steel appliances & Euro Style laundry

* The functional living space flows out onto the outdoor deck. A perfect all-year round entertaining area

* Low maintenance yard is private & well established. It features a double garage plus workshop and rear lane
