

112 Park Road Goulburn NSW

3  1  1 

* This double brick 3 bedroom federation has loads of charm and is located in a quiet location. It's just waiting for a new owner to bring it back to its former glory

* The traditional layout has 3 bedrooms at the front opening onto a separate lounge room which at this time of year is warm and cosy with gas heating

* Country style eat-in kitchen plus a family bathroom with separate bath & shower

* For someone with a green thumb the large gardens will be a delight to work in

* Side access leads to a large storage shed at the rear. This property holds plenty of potential for the right buyer to restore and build equity along the way.
