

108 Coromandel Street Goulburn NSW

2 1

- * Very modest home in need of repair, renovation would need to be substantial
- * Given the brilliant location in one of West Goulburn's most sought after streets this could be a great Knock Down & Rebuild opportunity. Please note that any development of this site would be subject to council approval
- * Side access from a sealed lane (Lewisham St) could provide good vehicle access
- * 328m² block would enable you to build a comfortable, low maintenance home within level walking distance to the Main Street and multiple schools
- * Renovate or detonate - you make the decision.
