

46 Park Street Goulburn NSW

3  1  2 

* Situated in one of Goulburn most popular enclaves, this Californian bungalow will provide it's new owners a solid brick home that is packed with character whilst not compromising on space or modern conveniences

* This low maintenance home features an updated kitchen that opens to a large, light filled living space

* Period features are evident throughout the home, with ornate ceilings and corncing to the bedrooms and period light fittings to the front of the home

* A real highlight of the home is the enormous covered entertaining space that overlooks a private, easy care garden complete with garage and workshop space

* Easy walking distance to the main street with a corner shop and public transport nearby. This property would suit both owner occupiers & investors - excellent value for
