

46 Mulwaree Street Goulburn NSW

4  1  1 

- * Double brick character home located in a quiet street within easy walking distance to the heart of the CBD
- * The home offers a flexible floorplan with up to 4 bedrooms plus a spacious living room which is light and bright
- * Period features such as high ceilings and wide skirting boards complement the delightful polished floorboards
- * The home has excellent climate control with recently installed ducted gas heating and reverse cycle air conditioner
- * Corner location gives good access to the rear garden with a garage and room for extra sheds & additional car accommodation
- * The majority of the hard work is done however there is plenty of scope to add your personal touches
